Forward for orders of Govt a copy of the
draft Byelaws framed for the working
of the Complaints Committee

1) ruled It is not known under
what section of the Mysore City
Municipalities Act 1933, the Byelaws have
been framed & sent up to Govt

1/18/42 2) what are the duties &
functions of the Managing
Committee of the Belymby M.C.

1/19/42 - put up a copy of the rules or
byelaws regulating the Constitution
and the work expected to be turned out
by it. Is there any such committee or
the Complaints Committee in Mysore City? 12/2/42

3) ruled - A copy of the Byelaws containing
the duties of the Managing Committee is
sent (Vide Page 5 of the Byelaws sent up)

4) There does not appear to be any
such committee as Complaints Committee
in Mysore City. Section 31 of the

1/18/42 City Municipal Act seems wide enough
to comprehend a Committee of the kind

Serial
No

5) The following Committees have been constituted by the Municipality M.C., in addition to the Managing Committee constituted under sec 30 of the City M.C. Act of 1933

- 1) The city improvement committee
- 2) The By Law committee
- 3) The reading room committee
- 4) The market committee
- 5) The Sanquikhome committee
- 6) The audit committee

6) Their constitution & functions have been approved by the Govt (vide the book attached)

A perusal of the functions entrusted to them shows that they are mostly consultative and advisory in character

7) The present proposal of the Municipality M.C. is to appoint a Complaints Committee. Its rules for its working are also sent for the approval of Govt

8) Under sec 31 of the Mysore City M.C. Act of 1933, the M.C. may constitute any other Committee for the purpose of carrying out powers, discharging such duties or performing such functions as it may delegate to them or may appoint individual Councillors or Committees to ensure

into and report- create or advise in any
matter which it may refer to them
and under sec 49 (a) otherwise to
(c) thereto, sanction of Govt is
required for the draft rules framed
for the constitution of the committee & for
its working. Hence the M.C. can have
superior orders of Govt in the proposal
of the M.C.

9) Coming to the merits of the
proposal, it may be pointed out that
the draft rules framed for the working
of the committee show that it wants to
appropriate the powers now exercised by the
M.C. as a whole and to take upon
itself certain executive ^{now exercised by the M.C.} ^{the M.C. has} ^{any} ^{take}
powers who has ~~is~~ a grievance can
apply to the M.C., who will make
arrangement to enquire into it & help it
to defend. If instead of that, the committee
goes from door to door enquiring about
the grievance, surely every one will have
some grievance or the least the M.C.
would find it well nigh impossible to comply
with all of them. Further, the ~~current~~
suggested rules are likely to create
friction between the Executive Subordinate
and the Municipal Councilors and instead
of there being harmony in municipal

administrative, it would be causing trouble
This is a superfluous Committee and
one which is not in evidence anywhere
in the British India. The principles
on which it proposes to work are unsound,
as the remedy may prove worse than the
disease. The constitution of the Committee appears to be
unnecessary. The proposal may in
the above circumstances be vetoed.
